### **TIMELESS DESIGN**

Experience lighting that endures in beauty - achieving a perfect balance of form and function, fulfilling your needs for the long term.

### **PARTNERSHIP**

Work with a partner who brings creativity and care to solving your lighting needs. Our goal is to serve you and the people who will use your spaces.

### **FLEXIBILITY**

Modify any of our designs to fit your unique needs. We build your fixtures to order while delivering exceptional value and timeliness.

### **AMERICAN MADE**

We are proud to make all of your lighting in the USA, ensuring you receive high-quality products and the responsive support you expect.

### **QUALITY CRAFTSMANSHIP**

Elevate how people experience your spaces with lighting that delivers the highest quality of craftsmanship and attention to detail.

Photometry (IES) files available on our website.

Most UltraLights products are UL/cUL listed, as are most available lamping options.

## MOUNTING OPTIONS

## DARK SKY FRIENDLY

Dark sky lighting, a concept introduced here in Arizona in the 1950s, restricts upward light so we can better enjoy our beautiful, starry night sky. We offer several dark-sky options.

## PHOTOMETRY AND 3D FILES

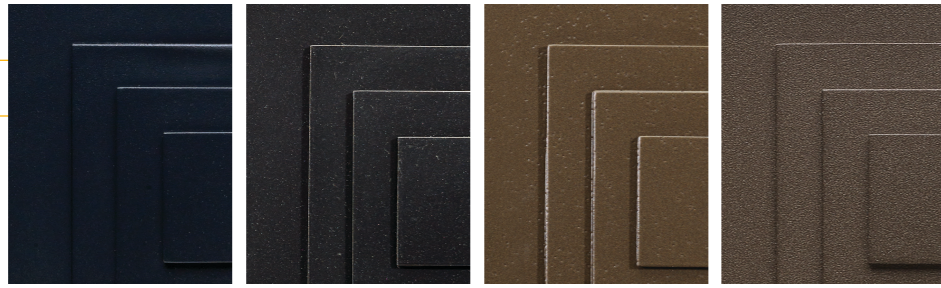

We offer complementary Photometry and 3D model files. You may download them at the QR code to the left or by visiting [ultralightslighting.com/photometry3d](http://ultralightslighting.com/photometry3d)
